What is GigPal.net™

GigPal.net™ is the Online Web Calendar Management Tool for Musicians, Performers, Bands, DJs, Agents, Managers and Venues.

GigPal.net™ makes your life easier in lots of ways:

- ▶ Update your website's calendar from any web-connected computer or PDA.
- ▶ Your site will never contain out-of-date performance information again!
- ▶ Old gigs are removed from "Upcoming" gig calendars automatically and relocated to a searchable "History/Tour Journal" page, which can be enhanced, building libraries of photos, audio, video and commentary for each gig or event.
- ▶ GigPal™ automatically generates map links to each gig on your calendar.
- ▶ GigPal™ remembers all the details for every venue where you've performed so you never have to enter information more than once.
- ▶ GigPal™ is smart, global and incredibly easy to use -- Anyone can do it!
- ▶ Update your site using a simple online form --- No HTML or FTP necessary!
- ▶ GigPal™ drastically cuts down on the amount of time needed to update your online calendar of performances --- Seconds instead of minutes!
